**ARTICLE 12 KYOTO PROTOCOL TO THE UNITED NATIONS FRAMEWORK
CONVENTION ON CLIMATE CHANGE
WRITTEN APPROVAL OF VOLUNTARY PARTICIPATION FROM UK DNA**

Hedcor Sibulan, Inc. has confirmed that they are a project participant in a proposed Clean Development Mechanism (CDM) project entitled "Hedcor Sibulan 42.5 MW Hydroelectric Power Project" and has requested written approval of the UK's voluntary participation in the CDM from the UK's Designated National Authority in order to submit this project to the CDM Executive Board for registration.

Hedcor Sibulan, Inc. has provided us with the attached record of the host Party's confirmation that the project activity assists it in achieving sustainable development and has confirmed that it has submitted all required documents and information to the Designated Operational Entity. Hedcor Sibulan 42.5 MW Hydroelectric Power Project was registered by the CDM Executive Board on 6th June 2008 with the project number 1620.

This letter is issued on the basis of the draft Validation Report, number 2007-1127 Revision No. 01, dated 5th February 2008, and of the Project Design Document, version 02, dated 28th December 2007.

The Environment Agency acting as the UK's DNA confirms that:

1. the United Kingdom ratified the Kyoto Protocol on 31st May 2002;
2. the UK participates voluntarily in the CDM;
3. to the extent that what is mentioned in paragraphs 1 and 2 may constitute authorisation of Hedcor Sibulan, Inc.'s participation in the above named CDM project activity, and to the extent that such

authorisation is required, this letter may be taken to constitute that authorisation.

In granting authorisation, the UK's DNA has not considered those matters that fall within the competence of:

- Philippines acting as Host Party in respect of this project;
- TÜV Rheinland (China) Ltd., appointed by the project participants as Designated Operational Entity in respect of this project; or
- the CDM Executive Board.

The UK does not intend to issue instructions in respect of, or to participate in the request for issuance of Certified Emission Reductions (CERs).
