**Letter Nr. 459-2003-CONAM-SE**

13 March 2003

Mr.  
**Branislav Zdravkovic**  
SINERSA

Dear Sir

It is my pleasure to send you this communication concerning your request for national approval of the hydroelectric project Poechos (15,4 MW), located in Lancones, Province of Sullana, Department of Piura, for its consideration under the clean development mechanism within the framework of the Kyoto Protocol.

We have the pleasure to inform you that the Ad-hoc Committee appointed pursuant our ISO procedure called "Rapid Evaluation for projects under the Clean Development Mechanism (CDM)" has expressed positive opinion for its approval due to its contribution for sustainable development in Peru and its harmonization with the national environmental policy. According to this, the project can participate from the CDM benefits within the framework of the Kyoto Protocol, ratified by the Government of Peru through Parliament Resolution 27824 (2002).

By means of this approval, it is voluntarily accepted and authorized, the transfer of certified emission reductions by the requesting company to the correspondent Annex B Party of the Kyoto Protocol, including the voluntary participation in the proposed CDM project activity.

The present letter of approval will have full application under the achievement of the following 2 conditions:

- the operational entity designated by the Executive Board of the Clean Development Mechanism has formally reported that the project is validated
- that the project proponent requesting approval by CONAM has paid the fees after the project has been validated by the correspondent operational entity

In case that one of these conditions does not come effective, this communication is not longer valid or legal.

This communication is delivered by the Designated National Authority under Supreme Decree 095-2002-PCM to the project proponent and a copy will be submitted to the Executive Board in English and Spanish.

Sincerely yours,

  
**Mariano Castro Sánchez-Moreno**  
Executive Secretary
