

Written Approval

for the project “Improving Kiln Efficiency in the Brick Making Industry in Bangladesh”

To whom it may concern,

The State of the Netherlands, acting through the Netherlands’ Ministry of Infrastructure and the Environment (IenM), being the national authority for the Clean Development Mechanism (CDM), hereby declares that:

- (i) the State of the Netherlands ratified the Kyoto Protocol on 31 May 2002;
- (ii) the State of the Netherlands participates voluntarily in the “Improving Kiln Efficiency in the Brick Making Industry in Bangladesh” (the “CDM Project Activity”);
- (iii) the State of the Netherlands, as a Party directly involved in the “CDM Project Activity” authorizes the participation of the Netherlands’ Ministry of Infrastructure and the Environment as a Project Participant in the “CDM Project Activity” and wishes to receive Certified Emission Reductions (CERs) in the national registry account: NL-100-8-0 “Netherlands CDM Purchase Programme”;
- (iv) the State of the Netherlands hereby also authorizes the participation of the International Bank for Reconstruction and Development (IBRD) as the Trustee for the Community Development Carbon Fund (CDCF) as a Project Participant in the “CDM Project Activity”;
- (v) this Written Approval covers the requirements of paragraphs 33 and 40 (a) and (f) of the CDM Modalities and Procedures.

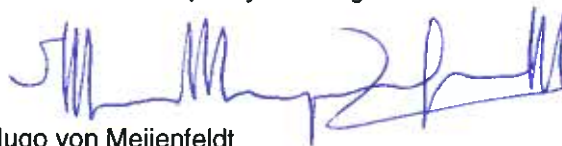

Finally, the State of the Netherlands declares that for the purchase of CERs resulting from this "CDM Project Activity", public funding of the State of the Netherlands is involved. It confirms that this public funding does not result in a diversion of official development assistance and is separate from and not counted towards the financial obligations of the State of the Netherlands in that respect.
