 <h2 style="text-align: center;">Prior Consideration of the CDM Form</h2>	
<p><i>This form is to be used by project participants in order to submit the notification of the commencement of the project activity and the intention to seek CDM status.¹</i></p>	
Date of submission:	12/October/2010
SECTION 1: PROJECT DETAILS	
1. Title of the CDM project activity:	<i>Inner Mongolia China Water Group Huade Niujiatangzi Wind Farm 49.5MW Project</i>
2. Precise geographical location: (Geo-coordinates, Town/City, Country)	<i>The Project is located at Niujiatangzi Wind Farm 14.2 km away from the southwest of Changshun Town, Huade county, Ulanqab City in the Inner Mongolia Autonomous Region of the People's Republic of China. The centre geographic coordinates of the wind farm is 113°53'E and 41°47'N.</i>
3. Name of project proponent (Name, Title, Company, Country)	<i>Gao Junsong, Project Manager, China Water Group Huade Wind Power Co., Ltd. China</i>
4. Brief description of the proposed project activity: (include brief description of technology to be employed and source of baseline emissions to be reduced)	<i>The Project will install and operate 33 sets of wind turbines, each of which has a capacity of 1500kW; therefore, the total installed capacity of the Project will be 49.5MW. The expected net electricity generation supplied to NCPG is about 110,000 MWh per year. The Project will reduce greenhouse gas emissions by replacing electricity that would otherwise be generated from coal-fired power plants.</i>
