VALIDATING LETTER

For the Letters of Approval in the name of STATOIL ASA be transferred to EQUINOR ASA for its participation as project participant in projects implemented under article 12 of the Kyoto Protocol.

The Norwegian Environment Agency, acting as the Norwegian Designated National Authority (DNA) to the UNFCCC Secretariat, declares that the Letters of Approval issued in the name of **STATOIL ASA**, authorizing it to act as a project participant in projects implemented under the Article 12 of the Kyoto Protocol are valid for **EQUINOR ASA, P.O.Box 8500, N-4035 STAVANGER, NORWAY**, for the below enumerated project due to change of legal name from **STATOIL ASA** to **EQUINOR ASA.**
Details/name of Legal document related to this change:
Certificate of registration, issued by the Brønnøysund Register Centre (The Register of Business Entreprises in Norway) on 16/05/2018.

The Norwegian Environment Agency also confirms that both **EQUINOR ASA** and **STATOIL ASA** are valid account owners of the National Registry account number **NO-121-160-0-65,** and that both companies are the same legal entity who are entitled to use the same holding account.

Done at Helsfyr/Oslo on 19/09/2018,

For the Norwegian Environment Authority (DNA)

Signed on behalf of Norway's Designated National Authority for the CDM,

Best regards,
Norwegian Environment Agency

Audun Rosland
Director of the Climate Department

Tone Sejnæs Pettersen
Acting Head of Section for Emission Trading

Written approval of voluntary participation

Statoil ASA has informed us that they are a project participant in the Clean Development Mechanism (CDM) projects listed below which are registered by the CDM Executive Board.

1. Brazil - Alta Mogiana Bagasse Cogeneration Project (AMBCP) - Project 0181
2. Brazil - Lages Methane Avoidance Project - Project 0268
3. China – Project for GHG Emission Reduction by Thermal Oxidation of HFC23 in Jiangsu Meilan Chemical CO. Ltd., Jiangsu Province, China – Project 0011
4. China - Project for HFC23 Decomposition at Changshu 3F Zhonghao New Chemical Materials Co. Ltd, Changshu, Jiangsu Province, China – Project 0306
5. China - Xiaogushan Hydropower Project in People's Republic of China - Project 0378
6. Colombia - Jepirachi Wind Power Project - Project 0194
7. Costa Rica - Cote Small-Scale Hydropower Plant - Project 0251
8. Guatemala - El Canadá Hydroelectric Project - Project 0606
9. Indonesia - Indocement Alternative Fuels Project - Project 0493
10. Indonesia - Indocement Blended Cement Project - Project 0526
11. Philippines – NorthWind Bangui Bay Project - Project 0453
12. South Africa – Durban Landfill-gas-to-electricity project – Mariannhill and La Mercy Landfills - Project 0545

The Climate and Pollution Agency, being the Norwegian Designated National Authority (DNA) under the CDM, hereby declares that:

(i) Norway ratified the Kyoto Protocol on 30th May 2002;
(ii) Norway participates voluntarily in the Clean Development Mechanism;

This written approval constitutes authorisation, according to the CDM modalities and procedures, of Statoil ASA's participation in the above mentioned CDM project activity.

In providing this written approval, Norway's DNA has not considered those matters that fall within the competence of:

1. The Host Parties for these CDM project activities;
2. the Designated Operational Entity/Entities contracted by these CDM project activities;
3. the CDM Executive Board.

Signed on behalf of Norway's Designated National Authority for the CDM,

Yours sincerely,

Signe Nåmdal
Director of the Department
of Climate and Industry

Alice Gaustad
Head of Climate and Energy Section

Statoil

To whom it may concern.

Name change

Please be informed that with effect of 2 November 2009, StatoilHydro ASA has changed it's name to Statoil ASA.

The name change will have no implications for the company's right and obligations under existing agreements and will have no effects on our business relations.

Kind regards

Trine Kloster
Vice President
