RE: LETTER OF APPROVAL (LOA) FOR THE PROGRAMME OF ACTIVITIES (POA)
"FUEL EFFICIENT STOVES IN AFRICA"

This letter serves to inform you that the Ministry of Environment, Climate, Tourism and Hospitality Industry, the Designated National Authority (DNA) for Clean Development Mechanism (CDM), has accepted to grant the PoA "Fuel Efficient Stoves in Africa", submitted by 3 Rocks Ltd, a Letter of Approval (LOA), based on the Programme of Activities Design Document (POA DD) received by the Ministry in line with the UNFCCC guidelines.

The DNA hereby issues this letter of approval and would like to confirm that:

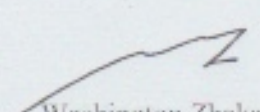

1. The Government of Zimbabwe ratified the Kyoto Protocol on 30 June 2009.
2. Participation in the proposed POA is voluntary.
3. The Fuel Efficient Stoves in Africa POA contributes to sustainable development in Zimbabwe.
4. The Zimbabwe DNA does not take responsibility for any loss or dispute that may occur during the CPA project cycle.

According to the information provided in the POA-DD and other documents, I authorise:

1. 3 Rocks Ltd as the Coordinating and Managing Entity (CME) of the POA mentioned above.

The project must comply with all required national regulatory requirements during the implementation and throughout the operational phase of the project.

The DNA will be monitoring your project on a yearly basis at your cost, to ensure that the Sustainable Development Indicators and Criteria of Zimbabwe are adhered to during the lifespan of the POA.
