Submitted queries

Please use the space below to substantiate the queries relating to the application of approved methodologies. If the questions are related to a project activity under development or implementation, please describe the context in which they arose. If you are proposing amendments to existing methodologies, please specify the text you want to change or introduce. If necessary, attach files or refer to sources of relevant information.

If you have a question relating to the application of an approved methodology, please specify and provide reference to the exact project activity to which it applies.

In line with the Standard for Demonstration of Additionality, Development of Eligibility Criteria and Application of Multiple Methodologies for Programme of Activities (EB65, Annex3), the project proponent is seeking clarification on the eligibility of combining the following large scale and small scale methodologies in one renewable energy PoA: ACM0002, AMS-I.D, AMS-I.A, AMS-I.F and AMS-I.L

If you propose an amendment to an approved methodology, please provide reasons.
