**Response to Clarifications regarding the Request for approval of changes to the project
“30MW Solar PV - Monte Plata” (UNFCCC Ref. no. PRC-8530-001), notification received
“22/11/2017”**

Dear CDM team,

Please find below the response of the TÜV NORD JI/CDM Certification Program to the request for clarification reason for the above mentioned project.

With regard to this response, we would kindly request you to continue with the request for approval process. If that cannot be done, please specify the request for issuance incomplete in more detail to prevent any misinterpretation. If you have any questions do not hesitate to contact us.

Yours sincerely,

TÜV NORD JI/CDM Certification Program

Rainer Winter

Request for Clarification Reason (1)	
Scope and Issue raised by the UNFCCC Secretariat:	The DOE validated the proposed correction of the project activity title from “30MW Solar PV - Monte Plata” to “60MW Solar PV - Monte Plata”, however, it has not confirmed whether the proposed change in the project title has been reflected in the letter of approval (LoA) issued by the host country party and other parties involved in the project activity or not in accordance with the paragraph 107 of the CDM PS version 01 and paragraph 140 of the CDM VVS version 01.
Response by DOE:	<p>Updated letter of approvals of all involved project participants have been provided. The letters have been checked by the DOE and assessed related requirements as per VVS. The related assessment opinion report has been updated accordingly. Further the MOC has been also updated and is submitted along this response to raised clarification as a supporting document.</p> <p>Following documents have been revised and are resubmitted via UNFCCC account:</p> <ul style="list-style-type: none"> • 8530_Assessment opinion_PRC_Monte_Plata.pdf • 8530_Monte Plata PDD_v6_24_07_18_clean.pdf • 8530_Monte Plata PDD_v6_24_07_18_track change mode.pdf • 8530_RD EF model_validation_17-07-17_V2.xls • CDM Registered LoA 60MW Solar PV - Monte Plata.pdf • CNCCMDL-0505-018-LoA Project 60MW SOLAR PV-MONTE PLATA.pdf • LoA Switzerland Monte Plata 2017.pdf • MOC-FORM Annex 2 form.pdf
