Ref.: Your Letter No. HAIL/RPR/2007-08/642, Dated 11-10-2007

Kind Attention to Mr. Praveen Rathor

This is to certify that M/s Hanuman Agro Industries Limited had contacted us during March, 2006. At that time they were in the process of setting up of a coal based co-generation plant for meeting their heat & electrical energy requirement. While discussing the issues we appraised them the benefits including CDM benefits associated with the biomass based co-generation plant.

Further to our knowledge, 2.5 MW cogeneration plant of M/s Hanuman Agro Industries Limited is the only plant in the Rajim Tehsil of Raipur District.

This certificate is issued at the request of the party.
