

UNFCCC PA 8442 'Tata Power - Wind power project at Samana in Jamnagar district, Gujarat' Post registration changes request with the request for issuance of monitoring period 1 (06/12/2012 – 31/12/2013).

As per guidance, for projects which are registered under the previous regulatory framework (VVM track), the old information shall be transferred to the new form and the DOE shall include a statement in the assessment opinion that the material included in the new form is materially the same as the information in the registered PDD/PoA-DD/CPA-DD.

To cover this requirement we have uploaded document titled 'PDD - VVM to VVS.pdf' under the interface field entitled *"supplementary documents: For corrections that do not affect the project design, permanent changes from the monitoring plan as described in the registered PDD or the monitoring methodology changes to the project or programme design of a registered project activity or PoA and/or changes specific to afforestation or reforestation project activities."*

The changes that are the subject of the request for approval are to be highlighted.

For this we have uploaded the following documents "2PDD_VVS_2014_05_19_track change.pdf"

as well as a clean version of that same document "PDD_VVS_2014_05_19_clean.pdf"
