SECTION 2: ACKNOWLEDGEMENT AND ACCEPTANCE OF RISKS

Important note: The below acknowledgement and acceptance of risk is required pursuant to the temporary measures adopted by the Executive Board of the clean development mechanism at its 108th meeting, as set out in the meeting report for that meeting (CDM-EB108) at paragraphs 7 (a) (ii) and 8 (a) (ii).¹ In signing the below, signatories are advised to have read and ensure they have understood the nature of the temporary measures and the implications of such measures. The temporary measures referred to above cover CDM processes relating to emission reductions achieved on or after 1 January 2021, and are applied pending guidance of the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (known as the CMP, and which has authority over and provides guidance to the CDM) at its sixteenth session.²

The Executive Board of the clean development mechanism and the secretariat³ are entitled to place legal reliance on this acknowledgement and acceptance of risk following its signature and submission.

Acknowledgement and acceptance of risks:

“As focal point/project participant/coordinating/managing entity of the project activity or programme of activities, and on behalf of all project participants for this activity, I declare I am duly authorised to sign this acknowledgement and acceptance of risks on behalf of all participants in the activity.

I have read and understood this form and I do hereby formally acknowledge and accept the risk that it may not be possible for certified emission reductions to be issued for the emission reductions achieved on or after 1 January 2021 by the activity in respect of which I make this submission.”
