Information for completing the form Describe the questions related to the SSC Methodologies, Modalities and Procedures below. If the questions are related to a project under development or implementation, you may describe the context in which they arose.	
Query on an approved SSC methodology or SSC procedures	
1. If you have questions relating to the application of an approved small-scale methodology (AMS) please specify and provide reference to the exact technology/measure below. If you have questions related to procedures for SSC project activities please clarify below:	

¹ Designated National Authority (DNA); Designated Operational Entity (DOE); Project Participant (PP), and Stakeholder.

² The list of all approved small-scale methodologies (AMS) can be found at <http://cdm.unfccc.int> and go to CDM: small scale CDM methodologies.

>> We kindly ask for clarification on the application the guidance “Guidelines for demonstrating additionality of renewable energy projects =< 5 MW and energy efficiency projects with energy savings <= 20 GWH per year (version 01)”, for demonstrating additionality in Programme of activities. Can this guideline be used to demonstrate additionality at CPA level if each CPA satisfies the stipulated limit of =<5 MW in case of renewable projects and energy savings of <=20 GWH per year in case of energy efficiency projects as per the guidance.

We thank the SSC WG for considering our request.

Request for revision of an approved SSC methodology
