MESSAGE TO PARTIES

I would like to encourage Parties to show their commitment to “climate leadership” in a new way – by paying their 2017 contributions to the UNFCCC core budget in November-December 2016 and thereby meeting the deadline of 1 January 2017. Parties who do so will be showcased on the UNFCCC website for their leadership.

Contribution notices were sent to Parties on 7 October 2016.

Early payment of contributions, as well as of any arrears from previous years, will greatly assist in the delivery of the important work of taking forward the Paris Agreement and supporting Parties and the UNFCCC process. It will also assist in managing the cash flow challenges that are currently impeding effective operations.
