**CRITERIA FOR MEMBERSHIP OF BODIES ESTABLISHED UNDER
THE CONVENTION AND ITS KYOTO PROTOCOL****1. The Bureau of the COP and the CMP**

The draft rules of procedure, being applied, state that “At the commencement of the first meeting of each ordinary session, a President, seven Vice-Presidents, the Chairmen of the subsidiary bodies established by Articles 9 and 10 of the Convention, and a Rapporteur shall be elected from among the representatives of the Parties present at the session. They will serve as the Bureau of the session. Each of the five regional groups shall be represented by two Bureau members and one Bureau member shall represent the small island developing states. The offices of President and Rapporteur shall normally be subject to rotation among the five regional groups.” No officer may serve on the Bureau for more than two consecutive terms of one year.¹

The Kyoto Protocol provides that: “When the Conference of the Parties serves as the meeting of the Parties to the Kyoto Protocol, any member of the Bureau of the Conference of the Parties representing a Party to the Convention but, at that time, not a Party to this Protocol, shall be replaced by an additional member to be elected by and from amongst the Parties to this Protocol”.²

At COP 16, the COP will be invited to elect, for a term of one year, 11 members of the COP and CMP Bureau as follows:

- 2 members representing African States
- 2 members representing Asian States
- 2 members representing Eastern European States
- 2 members representing Latin American and Caribbean States (GRULAC)
- 2 members representing Western European and Others States (WEOG)
- 1 member representing Small Island Developing States (SIDs).

Groups/constituencies will be invited to submit nominations, bearing in mind the draft rules of procedure and the provisions of the Kyoto Protocol. At the opening of COP 16, the COP will be invited to elect the President of COP 16 and CMP 6, who will serve as the President of both bodies respectively. The COP will be invited to elect the other members of the Bureau following completion of the consultations. If any member of the Bureau represents a State that is not at that time a Party to the Kyoto Protocol, at CMP 6, the CMP will be invited to elect for a term of one year a member representing a Party to the Protocol to replace such a member.

2. The Bureaux of the subsidiary bodies established under Articles 9 and 10 of the Convention: the Subsidiary Body for Implementation (SBI), and the Subsidiary Body for Scientific and Technological Advice (SBSTA)

The draft rules of procedure apply mutatis mutandis to the proceedings of the subsidiary bodies. Each subsidiary body shall elect its own Vice-Chair and Rapporteur.³

The Kyoto Protocol provides that: “When the subsidiary bodies established by Articles 9 and 10 of the Convention exercise their functions with regard to matters concerning this Protocol, any member of the Bureaux of those subsidiary bodies representing a Party to the Convention but, at that time, not a

party to this Protocol, shall be replaced by an additional member to be elected by and from amongst the Parties to this Protocol”.⁴

Groups will be invited to submit nominations, bearing in mind the draft rules of procedure and the provisions of the Kyoto Protocol. Following completion of consultations, the SBI and SBSTA, at their thirty-third sessions, will be invited to elect for a term of one year their Vice-Chair and Rapporteur, respectively.

3. The officers of subsidiary bodies established pursuant to Article 13(4)(h) of the Kyoto Protocol: the Ad Hoc Working Group on Further Commitments for Annex I Parties under the Kyoto Protocol (AWG-KP)

The draft rules of procedure apply mutatis mutandis to the proceedings of the subsidiary bodies, including working groups, established pursuant to Article 7(2)(i) of the Convention and Article 13(4)(h) of the Kyoto Protocol.⁵

Unless the COP or the CMP decides otherwise, the Chair of any subsidiary body other than those established by Articles 9 and 10 of the Convention shall be elected by that subsidiary body from among the representatives of the Parties present at the session. The Chairs, Vice-Chairs and Rapporteurs of such subsidiary bodies shall be elected with due regard to the principle of equitable geographical representation and shall not serve for more than two consecutive terms of one year.⁶

At its first session, the CMP established the open-ended ad hoc working group (AWG-KP) to consider further commitments for Parties included in Annex I for the period beyond 2012 in accordance with Article 3, paragraph 9, of the Protocol.⁷ At its fifth session, the CMP requested the AWG-KP to continue its work and to deliver the results of its work pursuant to decision 1/CMP.1 for adoption by the CMP at its sixth session.

During CMP 5, and during AWG-KP 11, consultations were undertaken with the Chairs of Regional Groups on the nomination of officers for election to the AWG-KP. During those sessions, the secretariat received the following nominations:

- For the position of Chair:
 1. Mr. John W. Ashe (Antigua and Barbuda), nominated by GRULAC
 2. Mr. Adrian Macey (New Zealand), nominated by WEOG
- For the position of Vice-Chair:
 - No nomination received
- For the position of Rapporteur:
 1. Mr. Miroslav Spasojevic (Serbia), nominated by the Eastern European States.

Consultations were not concluded at AWG-KP 11, and in accordance with rule 22, paragraph 2, of the draft rules of procedure, the current officers of the AWG-KP shall remain in office until their successors are elected at the next ordinary session.

Consultations on the election of officers of the AWG-KP will resume at AWG-KP 12. Parties will be invited to consult and agree on the nominees to be elected. Following completion of the consultations, the AWG-KP will be invited to elect for a term of one year the Chair, Vice-Chair and Rapporteur.

4. The Executive Board of the clean development mechanism

The Executive Board comprises 10 members and 10 alternate members. Members and alternate members of the Executive Board are nominated by the relevant groups/constituencies and elected by the CMP. Each year, the CMP elects five members and their alternate members for a term of two years. Members and their alternates are eligible to serve a maximum of two consecutive terms. Terms as alternate members do not count.⁸

At CMP 6, the CMP will be invited to elect for a term of two years five members and five alternate members to the Executive Board as follows:

- 1 member and 1 alternate member representing African States
- 1 member and 1 alternate member representing Asian States
- 1 member and 1 alternate member representing GRULAC
- 1 member and 1 alternate member representing WEOG
- 1 member and 1 alternate member representing Parties included in Annex I to the Convention (Annex I Parties).

Groups/constituencies will be invited to submit nominations, bearing in mind the time, availability and competencies required of members and alternates sitting on the Executive Board. Parties may also wish to review the annual report of the Executive Board to CMP 4, in which the Executive Board reiterated that “its members must collectively provide the professional and regulatory competence needed to supervise the CDM, which is a mechanism of substantial size, global spread and sectoral diversity” and that members and alternate members “need to invest a considerable amount of time to provide their professional services.”⁹

5. The Joint Implementation Supervisory Committee (JISC)

The JISC comprises 10 members and 10 alternate members. Members and alternate members of the JISC are nominated by the relevant groups/constituencies and elected by the CMP. Each year, the CMP elects five members and their alternate members for a term of two years. Members of the JISC may be eligible to serve a maximum of two consecutive terms. Terms as alternate members do not count.¹⁰

At CMP 6, the CMP will be invited to elect for a term of two years five members and five alternate members to the JISC as follows:

- 2 members and 2 alternate members representing Annex I Parties
- 2 members and 2 alternate members representing Annex I Parties that are undergoing the process of transition to a market economy (Annex I EIT Parties)
- 1 member and 1 alternate member representing Parties not included in Annex I to the Convention (non-Annex I Parties).

The Annex I EIT Parties constituency is invited to nominate a candidate to replace the member of the JISC from that constituency who resigned in accordance with the rules of procedure of the JISC.¹¹

Groups/constituencies will be invited to submit nominations, bearing in mind that members and alternate members of the JISC shall have recognized competence relating to climate change issues and in

relevant technical and policy fields,¹² and the expected time commitments required of members and alternates sitting on the JISC.¹³

6. The Expert Group on Technology Transfer (EGTT)

At its thirteenth session, the COP agreed to reconstitute the EGTT for a further five years, and to review, at its eighteenth session, progress of the work and terms of reference, including, if appropriate, the status and continuation of the EGTT.¹⁴

The EGTT comprises 19 experts nominated by Parties to the Convention. The members of the EGTT shall be nominated by Parties to the Convention for a term of two years and are eligible to serve two consecutive terms. Half of the members of the EGTT initially shall serve for a period of three years, taking into account the need to maintain the overall balance of the group. Every year thereafter, half of the members shall be nominated for a period of two years.¹⁵

At COP 16 groups/constituencies will be invited to nominate for a term of two years 10 members to the EGTT as follows:

- 2 members representing African States
- 1 member representing Asian States
- 2 members representing GRULAC
- 1 member representing SIDs
- 4 members representing Annex I Parties.

The members nominated by Groups/constituencies will be confirmed by the SBSTA.

Groups/constituencies will be invited to bear in mind that members of the EGTT shall have expertise in the five thematic areas of the current framework and/or in any of the following areas, inter alia: greenhouse gas mitigation and technologies for adaptation; technology assessments; information technology; resource economics including public and private financing instruments; and social development.¹⁶

7. The Least Developed Countries Expert Group (LEG)

The COP, at its thirteenth session, decided to extend the mandate of the Least Developed Countries Expert Group (LEG) under the terms of reference adopted by decision 29/CP.7, and to review, at its sixteenth session, the progress, need for continuation and terms of reference of the group, and to adopt a decision thereon.¹⁷ The COP also decided that consistent with decision 7/CP.9, paragraph 2, new experts may be nominated to the LEG, or existing members of the group may continue in office, as determined by the respective regions or groups.

The terms of reference of the LEG¹⁸ provides that the LEG comprises 12 experts having recognized competence and appropriate expertise to assist in the development of national adaptation programmes of action (NAPAs). The group shall consist of:

- 5 experts representing African LDC Parties
- 2 experts representing Asian LDC Parties
- 2 experts representing SIDs, which are LDC Parties

- 3 experts representing Parties included in Annex II to the Convention (Annex II Parties).

At least one selected LDC expert and at least one selected expert from Annex II Parties shall also be a member of the CGE. The experts will be selected by the Parties from their respective regions or groups, and shall have expertise in vulnerability and adaptation assessment. Members of the group shall serve in their personal capacity and shall have no pecuniary or financial interest in the issues under consideration by the group.
