MESSAGE TO PARTIES

Submission of information and views

This note aims at clarifying one invitation for submissions contained in the table listing upcoming deadlines for submission of information and views invited by Convention and Kyoto Protocol bodies that was circulated on 20 January 2012. The clarification relates to the invitation No. 11 in that table where a reference to paragraph 33 of decision [-/CP.17] "Outcome of the work of the Ad Hoc Working Group on Long-term Cooperative Action under the Convention" has been added in order to reflect that paragraph in the description as well as in the mandate of the invitation. Therefore, invitation No. 11 should read as follows:

Submission		Date
2012		
11.	<p><u>Enhanced action on mitigation. Nationally appropriate mitigation actions by developing country Parties (Matters relating to paragraphs 48-51 of the Cancun Agreements) (AWG-LCA)</u></p> <p>Submission of more information by developing country Parties, subject to availability, relating to nationally appropriate mitigation actions contained in document FCCC/AWGLCA/2011/INF.1, including underlying assumptions and methodologies, sectors and gases covered, global warming potential values used, support needs for implementation of nationally appropriate mitigation actions and estimated mitigation outcomes.</p> <p>(Decision [-/CP.17] Outcome of the work of the Ad Hoc Working Group on Long-term Cooperative Action under the Convention, paragraphs 33-35)</p>	5 March

This version should replace the one contained in the notification dated 20 January 2012.

Yours sincerely,
