Ref Nr	Summary of findings
P2.2.1	<ol style="list-style-type: none"> 1. The information on Kyoto Protocol units has been reported in accordance with section I.E of the annex to decision 15/CMP.1 and is accurate. The national registry continues to fulfill the requirements related to its reporting and accounting of information on Kyoto Protocol units, transaction procedures, conformance to the technical standards, security, data integrity and recovery measures. 2. Party has reported information on its accounting of Kyoto Protocol units in the required SEF tables, as required by decisions 15/CMP.1 and 14/CMP.1. The SIAR assessor reviewed the findings included in the SIAR on the SEF and the SEF comparison report.1 The SIAR was forwarded to the ERT prior to the review, pursuant to decision 16/CP.10 3. Information on the accounting of Kyoto units has been prepared and reported in accordance with section I E of the annex to decision 15/CMP.1, and reported in accordance with decision 14/CMP.1 using the SEF tables. 4. Information reported by Party on records of any discrepancies and on any records of non-replacement were found to be consistent with information provided to the secretariat by the international transaction log (ITL). 5. The Party provided access to information from its national registry that substantiated or clarified the information reported in its annual submission. 6. Party reported a change in its national registry compared with the previous annual submission. However, the SIAR has identified a change in the national registry not fully reported by the Party. In response to questions raised by the SIAR during the review, the Party acknowledged the following changes in the national registry: enhanced security measure in several areas. The SIAR assessor concluded that, taking into account the confirmed change in the national registry, Austria's national registry continues to perform the functions set out in the annex to decision 13/CMP.1 and the annex to decision 5/CMP.1 The SIAR assessor recommends that the Party in its next annual submission report any and all change(s) in its national registry in accordance with section I.G of the annex to decision 15/CMP.1. 7. Party has reported its commitment period reserve in its 2010 annual submission. 8. The national registry has not fulfilled the requirements regarding the public availability of information in accordance with section II.E of the annex to decisions 13/CMP.1. The SIAR assessor recommends that Party include all Public information according to paragraphs 44 to 48 in section I.E of annex to decision 13/CMP.1. <p><u>Recommendations</u></p>
