

Report-back from breakout group 3

MAIN ISSUES DISCUSSED / KEY TAKEAWAY MESSAGE

Question 1:

- Capacity-building is a continuous process
- Taking stock of what is already existing and further analyzing CB needs and gaps for reporting / MRV
- Importance of building capacity at the institutional level/information-sharing
- Building on existing reporting frameworks (NatComs, BURs)
- Limited specific guidelines for components of the MRV system
- Financial support for MRV/reporting prerequisite
- Linking reporting systems to national planning and development objectives/priorities/goals
- Maintenance of the MRV-system needs to be taken into account
- Importance of having a central MRV focal point and of fostering strong cross-ministerial coordination in data gathering and analysis
