

**WORKSHOP ON THE STATUS OF MODELLING ACTIVITIES TO ASSESS
THE ADVERSE EFFECTS OF CLIMATE CHANGE AND
THE IMPACT OF IMPLEMENTED RESPONSE MEASURES**

**Wissenschaftszentrum
Bonn, Germany
16-18 May 2002**

Tentative agenda

Day 1: 16 May 2002

8:30 - 10:00

- Registration

10:00 - 10:40

- Introduction and opening of the meeting
- Daniela Stoytcheva, Vice-Chairperson of the Subsidiary Body for Implementation
- Janos Pasztor, Coordinator, Sustainable Development programme, UNFCCC secretariat
- Adoption of the agenda

10:40 - 12:30

- **Evolution and current status of modelling activities to assess the adverse effects of climate change**

10:40 - 11:00

Lin Erda, Chinese Academy of Agricultural Sciences, China

11:00 - 11:25

Discussion

11:25 - 11:45 Coffee Break

- **Evolution and current status of modelling activities to assess the adverse effects of climate change (cont.)**

11:45 - 12:05

Raúl Ponce Hernández, Food and Agriculture Organization

12:05 - 12:30

Discussion

12:30 - 14:00 Lunch

14:00 - 15:40

- **Identification of gaps and limitations in current approaches to modelling activities to assess the adverse effects of climate change**

14:00 - 14:20

Richard Klein, Potsdam Institute for Climate Impact Research, Germany

14:20 - 14:50

Discussion

14:50 - 15:10

Bettina Menne, World Health Organization

15:10 - 15:40

Discussion

15:40 - 16:00 Coffee break

16:00 - 17:40

- **Recommendations for improving the effectiveness of modelling activities to assess the adverse effects of climate change**

16:00 - 16:40

Mario Nuñez, National Council of Scientific and Technological Research, Argentina

16:40 - 17:40

Discussion

Day 2: 17 May 2002

9:00 - 10:50

- **Evolution and current status of modelling activities to assess the impact of response measures already implemented on individual developing country Parties**

9:10 - 9:50

Thomas Rutherford, University of Colorado, USA

9:50 - 10:30

Discussion

10:30 - 10:50 Coffee Break

10:50 - 12:30

- **Identification of gaps and limitations in current approaches to modelling activities to assess the impact of implemented response measures, as well as in approaches to minimize the adverse effects of response measures on developing countries**

10:50 - 11:10

Jonathan Pershing, International Energy Agency

11:10 - 11:40

Discussion

11:40 - 12:00

Thomas Rutherford, University of Colorado, USA

12:00 - 12:30

Discussion

12:30 - 14:00 Lunch

14:00 - 16:15

- **Recommendations for improving the effectiveness of modelling activities to assess the impact of implemented response measures**

14:00 - 14:20

Mark Howells, Energy Research Institute, South Africa

14:20 - 15:00

Discussion

15:00 - 15:20

Mohan Munasinghe, Munasinghe Institute for Development, Sri Lanka

15:20 - 16:00

Discussion

16:00 - 16:20 Coffee Break

16:20 - 17:50

- **Enhancing the participation of developing country experts in modelling efforts to assess the adverse effects of climate change and the impact of implemented response measures**

16:20 - 16:40

Annie Roncerel, United Nations Institute for Training and Research

16:40 - 17:10

Discussion

17:10 - 17:30

Khalid Abouleif, Ministry of Petroleum and Mineral Resources, Saudi Arabia

17:30 - 18:00

Discussion

Day 3: 18 May 2002

9:30 - 12:00

- Panel discussion on workshop outcome, recommendations and conclusions
- Closing remarks
