As authorized representative of the National Committee on CDM (Designated National Authority - DNA for the Republic of Indonesia) under the Kyoto Protocol, I hereby approve the "*Recovery and Avoidance of Methane from Industrial Wastewater Treatment Projects*", in Indonesia, as a Clean Development Mechanism Programme of Activities (CDM PoA) and confirm that:

- (i) The Republic of Indonesia has ratified the Kyoto Protocol on 28 July 2004;
- (ii) The Republic of Indonesia participates voluntarily in the Clean Development Mechanism (CDM);
- (iii) The Programme of Activities will contribute to the sustainable development in Indonesia.

As authorized representative of the DNA of the Republic of Indonesia under the Kyoto Protocol, I further authorized the participation of PT. Knowlegde Integration Services Indonesia as Project Participant as well as Coordinating/Managing Entity in the CDM PoA. Therefore I request the CDM Executive Board to issue and allocate CERs for any verified greenhouse gas reductions resulted in from the Programme of Activities based on the method directed by the Project Participants.

Sincerely yours,

Ir. Rachmat Witoelar
